

THE PEAK OF EXCELLENCE IN PERIOPERATIVE CARE

STATEMENT on COVID-19
March 17, 2020

It is our hope that the PRNABC *'Peak of Excellence in Perioperative Care'* Conference at Sun Peaks Resort, June 18-21 2020, will proceed as planned. As a non-profit membership-based society, our community and members are our top priority.

Because *'The Peak of Excellence in Perioperative Care'* is occurring at the end of June, we are holding off on a potential cancellation of the event, as we feel we still have time to monitor this dynamic situation. We assure you that we will make evidence-based decisions that prioritize the health of our delegates and community.

The PRNABC will follow guidelines set forth from the Public Health Agency of Canada (see link for details), as they pertain to this event in June:

The PRNABC Executive and Conference Planning Committee are continuously monitoring the outbreak of COVID-19 and its potential impact on travel to Sun Peaks in late June 2020.

Due to the fluid situation, we understand that you may also be feeling anxious about the financial impact of your registration and travel plans. We advise you to make flexible travel arrangements and inquire early (with airlines if you are flying, and for accommodations) about cancellations and refund policies. In the event the conference must be cancelled due to government regulations, we will refund your registration fees.

If you have any questions or concerns please contact Julie Cinel at prnabc.presidentelect@gmail.com or Jacqueline Sauve at jdssalesevents@shaw.ca or 604 341 3516.

We look forward to seeing you in June ☺
